Advancing Skills, Employment and Awareness
in the Blue and Green Economy (MYSEA)**

INFOGRAPHIC #3

**KICK OFF MEETING
15.JANUARY.2021**

The Kick-off event started with the launch of the MYSEA project and emphasized the following 4 objectives:

01

Promote collective reflection on future challenges, opportunities for effective action and political commitments.

02

Deepen the centrality of cross-border cooperation to increase the employment of young people, women and NEETs.

03

Discussion addresses the interrelated links that hinder social inclusion and gender equality.

04

Analyse the agrifood and waste management sectors in order to exploit opportunities for economic growth and job creation.
