Cross-Border Cooperation (up to 5%)

ENI CBC Med Programme

Objective: strengthening prosperity, stability and security at EU's external borders

Cross-border cooperation

Distinctive features

- **Balanced partnership and co-ownership:** Member States and neighbouring countries have an equal say in the programme and projects decisions
- **Common benefits** on both sides of the EU's external borders
- **Management** entrusted to a local or national authority in a Member State

16 ENI CBC programmes implemented from the Arctic to the Southern Mediterranean

“Cross-border cooperation is a must for Euro-Mediterranean relations: stronger ties are key to peace and stability”

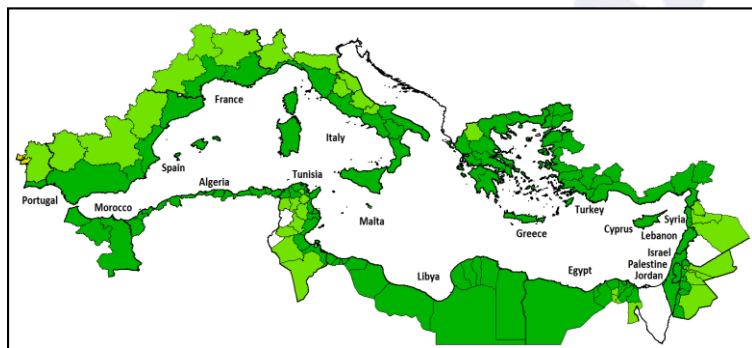

Johannes Hahn, EU Commissioner for European Neighbourhood Policy and Enlargement Negotiations
