Use of projects websites

Rome, October 2019

Integration of project webpages on the Programme website

Why?

Your responsibility

Use and update your webpage on a regular basis

- At least **3 times** during first two months after webpages are fully operational
- At least **4 times** a month during the rest of the implementation period

What to publish?

- News, events, results, stories, videos, communication material, opportunities (job vacancies, tenders), outputs, etc.

The flow

Contents uploaded by project beneficiaries need to be approved by MA before being published on the Programme website
