Mission Type: _____

Mission date: from _____ to _____

CHECK LIST QUALITY REVIEW SYSTEM AUDIT – FINAL AUDIT REPORT

SYSTEM AUDIT - Conclusions – This section of the checklist should be completed before the audit is completed	Yes/No/NA Comments
Have the counterstatements provided by the subjects under audit been acquired and analysed?	
If no counterstatements were provided, have the conclusions in the provisional audit report been confirmed in the definitive audit report?	
If counterstatements were provided, does the definitive audit report refer to any new documentation provided by the audited subjects, as well as to the counter-statements provided by them?	
The conclusions contained in the definitive audit report are adequate and accurate and supported by the working documents?	
Have the definitive audit reports been shared with the GoA?	
Are the definitive audit reports included in the Audit Authority's information system?
