A subgrant is a grant granted by a grantee to a subgrantee??

A **sub-grant** is an indirect financial contribution through an EU grant beneficiary to a sub-grant beneficiary (**subgrantee**) for an action intended to help achieving the objectives of the project for which the grant was awarded.

How can we support him?

Our dream come true!!

and support
team

The ENI CBC project may include a wide range of type of subgrants and subgrantees, depending on the project goals, going from small-scale subprojects with sub-grantees from different countries, to financial or in-kind support to NGOs, entrepreneurs, micro-enterprises or researchers.

Such as

Financial
support to
entrepreneurs

Financial or in
kind support to
MSMEs'
investments

Financial
support to joint
innovation
projects

Stages for
entrepreneurs,
researchers or
professors

Please ensure that the sub-grant scheme is designed and implemented in such a way that bring significant **added-value** to your project and **strong contribution to the achievement** of its **objectives**!

In the case of reimbursement of eligible costs, these costs must be added to the financial report of the beneficiary, once verified by an auditor or competent public officer, and reported to the Managing Authority together with the costs directly incurred by the beneficiary!!

Do not forget we are dealing with public money

It seems a
little bit
heavy!

Avoid him saying...

Give me the
money back!
