

Legambiente, Lead Beneficiary of the **COMMON** project, **ENI CBC MED** funded project, for an **EU contribution of € 2 million**, is looking for a **technical project coordinator**.

Project description:

The COMMON project aims at applying the ICZM principles to the marine litter management, improving the environmental performance of 5 pilot coastal areas in Italy (2), Tunisia (2) and Lebanon (1), testing a model that could be transferred to the whole Mediterranean area. Thanks to an improved knowledge of the marine litter phenomenon, specific training and capacity building activities addressed to local and regional authorities, MPAs, Turtles Rescue Centres and citizens, thematic awareness campaign and material, targeted networking activities at basin level, COMMON project will engage local communities in incorporating marine litter management and disposal in coastal planning with the ICZM approach. The project specific objective is to enhance the capacity of public authorities in the 5 selected areas to plan for sustainable management, use and monitoring of marine litter sources, treatment and consequences, employing an effective participatory approach involving relevant stakeholders and local communities.

Main responsibilities:

- Ensures that the deadlines of the partnership deliverables are met.
- Coordinates the activities of Legambiente and the working group
- Coordinates the partners in carrying out the activities and respecting the deadlines
- Participates in the meetings of the partnership representing Legambiente
- S/he organizes the planned events
- Collects the contribution and the documentation produced during the project activities by all partners (photographs, signature sheets, materials ...) and shares it with the PM
- Prepares the narrative reports of the project activities in the predetermined periods and shares them with the Project Manager
- Ensures participation in stakeholder workshops and forums
- Ensures successful completion of all project activities

Qualification and Skills

- Knowledge and previous experience of the project topics
- Graduation in relevant topic
- Coordination skills
- Organisational skills (public events, workshops, forums)
- Fluent in English, both spoken and written
- Knowledge of Arabic and/or French is an advantage

Professional experience:

- Previous experience in coordinating international partnership
- Previous experience in international project funded by public funds, especially EU funds
- International experience is an asset
