

26-30 SEPTEMBER 2022

EUROPEAN SUSTAINABLE ENERGY WEEK

Going green and digital
for Europe's energy transition

Energy Efficiency and Renewable Energies to drive building energy performance: local examples from the Mediterranean regions and policies that work

Wednesday, 28th September 2022. 9:30-11:00. Alcide De Gasperi Auditorium, Charlemagne Building, Brussels

AGENDA

09:30 Introduction. Energy renovation: Enhancing the energy transition in the Mediterranean Region. *Alejandro Lafarga, ENI CBC MED Programme*

09:35 Regulatory and policy initiatives to drive zero emission in buildings based on the GlobalABC Status Report. *Nora Steurer, GlobalABC - United Nations Environment Programme. Online*

09:45 Panel with energy renovation experts. The success stories. *Moderation by Andrea Voigt, GlobalABC - Danfoss*

- *Lucía Ramírez, Valencia Institute of Building, Spain. [BEEP](#) project*
- *Gianni Celli, University of Cagliari, Italy. [BERLIN](#) project*
- *Marina Kouta, University of Patras, Greece. [GREENBUILDING](#) project*
- *Rosa Schina, National Association of Italian Municipalities Tuscany, Italy. [SOLE](#) project. Online*
- *Osama Saadeh, German Jordanian University, Jordan. [ESMES](#) project. Online*

10:15 Round table with the projects. *Moderation by Andrea Voigt, GlobalABC - Danfoss*

10:25 Energy renovations in public buildings: Real onsite stories of [Med-Ecosure](#) project. *Live connections moderated by Alejandro Lafarga, ENI CBC MED Programme*

- *Antonella Trombadore, University of Florence, Italy*
- *Afef Ben Abdelghani Bennani, National Engineering School of Tunis, Tunisia*
- *Fida Salameh, An-Najah National University of Palestine, Palestine*

10:45 Youth for a new energy generation. Career opportunities in building energy renovation. *Testimonial from Souha Ferchichi, PhD in Mechanical Engineering. Young researcher at the Mediterranean Renewable Energy Center, Tunisia.*

10: 50 Policy recommendations and wrap-up. *Andrea Voigt, GlobalABC - Danfoss*

11:00 End of the session
